

# Petition to improve proposed anti-spam Bill S-220

When **proposed anti-spam Bill S-220** comes into force, if all the *reasonable* Solutions we included with our Objections are implemented it will benefit Canada both domestically and internationally, and will be a helpful addition to the arsenal in the war against spam. The new legislation will also be an asset to individuals and organizations when they prosecute spammers who steal their identities to commit crimes. Complete details are available at: <http://www.lumbercartel.ca/law/canada/s-220/>

We sincerely hope you will **support this petition by signing it** (even if you're not a Canadian citizen, your signature will still be helpful). Please mail all signed petitions to:
